

OHIO FLOODPLAIN MANAGEMENT ASSOCIATION

Recognition Awards and Guidelines

The Ohio Floodplain Management Association (OFMA) was formed in 1995 in response to a need expressed by floodplain professionals for a common forum, and a network that supports and improves their management of Ohio's water resources, specifically floodplains. OFMA is a Division of the Water Management Association of Ohio. The OFMA Board promotes the recognition of professionals contributing to better floodplain management through the annual awards. The following recognitions have been created and are awarded each year at the annual statewide floodplain management conference.
